REPORT NO.

1. Foreign Minister Ana Pauker has requested the formation of an armored car unit for her protection. The fire house at the corner of Boulevard Bonaparte and Strada Cometa was to be evacuated to provide a garage for these cars and quarters for the personnel were to be made available in the neighborhood of Strada Roma, Strada Finlandia, and Strada Oslo.
2. The Bucharest municipal authorities were able to prevent the evacuation of this fire house on the ground that the fire engines housed there were urgently needed in that district. An effort is being made to find other quarters in the area to house the armored cars.
